## Dress Code for School Staff

Academic Year 2025-2026

# INTRODUCTION

- ▶ The Teaching profession is a formal and professional vocation that encompasses both teaching and support staff. A staff dress code should reflect expected professional standards as it is important that all school staff a professional image to students, parents and other stakeholders. This dress code reflects the high expectations of the school in terms of teaching and learning, behavior and student uniform. This guidance sets out the expectations of the school in relation to dress code.

The dress code is necessary in order to:

- ▶ Convey a professional image of both the school and the individual;
  - ▶ Have due regard to health and safety considerations for staff;
  - ▶ Ensure staff and students dress codes are in-line with the school policy.
- 
- ▶ The school considers the way staff dress and their appearance is of significant importance in portraying a professional image to all users of its services, whether pupils, parents, governors, visitors, colleagues and other agencies.
